To whom it may concern

Kwelanga Training provided us with “Customer Services” training for the entire TFG Services division. We were pleased with the services provided by Shane and his team, from the initial interaction to the facilitation of the course. The facilitation was done in a professional interactive manner with great reviews from the delegates.

We have been impressed with the professional service offered to our business and the willingness to go the extra mile to accommodate our requests.

We have found that Kwelanga Training has been a professional and dedicated Training provider and we endeavour to continue the relationship going forward.

Kind Regards
