

Graduate Development Programme

GRADUATE SUCCESS STARTS HERE:

Build your Graduate Development Programme (GDP)

Our GDP is more than just a training programme; it's a **strategic partnership**.

Together, we'll develop your graduates into confident, capable professionals who will drive your organisation's success.

Follow these 4 **easy** steps:

1

Training Needs Analysis (TNA)

Purpose:

Identify specific skills gaps within your team.

Benefit:

Ensures that the programme is tailored to address your team's unique needs.

2

GC Index Assessment

Purpose:

Assess individual strengths and potential in areas like innovation, collaboration and results orientation.

Benefit:

Provides insights into individual leadership styles and areas for development.

3

Customisation

Purpose:

Create a programme that aligns with your organisation's goals and culture.

Benefit:

Ensures that the programme is relevant and effective for your team.

4

Impact Compass

Purpose:

Provide guidance and support graduates in their career development.

Benefit:

Helps graduates develop a sense of purpose and direction, while uplifting and inspiring them.
